Kitapta sanal gerçeklik teknolojisi kullanımı sonucunda bireyin vermiş olduğu tepkiler ve kullanım esansındaki etkileşimi anlatılmıştır. Teknolojik determinizm yaklaşımı bu çalışmanın odak noktasını oluştururken özellikle bireyin kullandığı araç sonrasında biçim değiştirme durumunun beraberinde getirdiği olumsuz etkenlerde ele alınmıştır. Ayrıca bireylerin deneyim öncesi ve sonrası verileri de hazırlanan ölçek doğrultusunda toplanarak analiz edilmiştir.
