Activities

New Media and Communication Department Graduation Project was prepared for Steam Platform (30.06.2021)

The 'Vr Office Experience' virtual reality game designed by the students of the New Media and Communication Department as part of their graduation project and moderated by Prof. Dr. Deniz YENGİN, Asst. Prof. Dr. Tamer BAYRAK and Lecturer İhsan Emre EROL offers the chance to experience both content observations in the real world and these contents in the virtual world.

The virtual reality game, which was run by students from its scenario to character design for a semester, was made available for the Steam platform, which offers a digital distribution, digital rights management, multiplayer gameplay and communication.
